

WHO IS BCLC?

Brunswick County Literacy Council has served adults in the community for 43 years. We are a 501 (c) 3 organization with a mission to improve the lives of Brunswick County families by:

- Providing literacy skills for adults.
- Helping hard-working adults earn their GEDs.
- Making higher education possible.
- Teaching English as a second language.
- Giving employers better employees.
- Strengthening our communities.

17% of adults living in Brunswick County lack basic literacy skills. They fall below a third or fourth-grade reading level. That's between 25,000 and 28,000 people in our communities.

BCLC works hard every day to change these statistics because we believe that literacy is attainable for EVERYONE.

All of our programs are free, one-on-one, and confidential. All proceeds from the tournament directly supports our mission.

YOUR SPONSORSHIP...

Not only showcases your business as invested in our communities, but it improves the economic, health, and social outcomes of Brunswick County families. Here's how:

\$1,000 supports the development of one new ABL, ESL, GED, citizenship, financial, or digital literacy program.

\$500 provides training and materials for new volunteer tutors for one year.

\$150 provides essential learning materials for one adult for one year.

\$50 helps pay for internet access and online tutorials in our classrooms.

\$30 covers the cost of workbooks for one student for one curriculum level.
